TESTIMONIALS:

Jen pulled us out of a jam when the original speaker we had booked cancelled last minute. Her topic, presentation and attitude was spot on. Thank you Jen.

- Frank R, Century 21

Jen offered such unique and powerful insight to our team. She was encouraging, funny, engaging, and knew how to resonate with the entire group. The fact that she can offer so much insight to a group of auditors is a testament to the fact that she has so much to offer to people of every walk of life – from children to adults, from athletes to businessmen and women.

- Megan S, QVC Global Summit

I ran up to hug you after the event because I couldn't believe how you hit on everything I needed to hear. I've attended many seminars and I've never heard anyone so real. Thank you.

- Jennie R, Construction

You brought something really valuable to our students in a way we haven't had here. The way you connect with these kids is remarkable. They've never been so riveted in an assembly. Holding the attention of 300 6th graders is a feat in and of itself, but they were really captivated by you. You are relatable.

- Carol D, Education

I went to a team building seminar that Jen had at Penn Oaks. It was excellent! She took the group back to the basics. Kept it simple. I left the seminar with so much knowledge. I felt refreshed! Felt motivated! So much so that I immediately asked my boss to bring her into our company. Like Jen said, keep it simple, CTC-Control the controllable. I highly recommend Jen to any team!
